Become a member of the Depot Arts Center

The Depot Arts Center is a community formed, community based, community funded exhibit-based organization. As in all non-profit organizations, funding is critical to our success. Funding must come from many sources: foundations, government agencies, fundraising events and membership dues.

The most direct way to help is to become a member. Membership allows the Depot to continue to produce the community-based exhibits that will further the goal of assisting Anacortes to be an interesting place to live and visit.

To join, print this form (using the print icon in the upper right of this page), then fill it out and mail to the address at the bottom.
